ESET NOD32 AntiVirus 11 (2018 edition) download offline installer setup file for Windows Vista, Windows 7, Windows 8 and Windows 10. Direct download ESET NOD32 AntiVirus 11 (2018 edition) for 32 bit and 64 bit processor. You may also read Kaspersky Antivirus 2018 Free Download ESET NOD32 AntiVirus 11 Introduction: Product Overview: ESET NOD32 AntiVirus 11 is developed and distributed by Slovak organization, which is released on 2 November 2017. It is compatible with Windows Vista(64bit), Windows 7, Windows 8, Windows 8.1, Windows 10 for 32 bit and 64 bit architecture. Sources tell that it was written in assembly language. Its main objective is to find and eliminate all kind of security threats, viruses, worms, spyware, keylogger etc with ease. Until now, it had saved more than 110 million users all over the world from security threats. Its full list of features were listed below Version Features: ESET NOD32 AntiVirus 11 key objective is to provide foolproof security to the end user despite of security threats. For example viruses, worms, spyware and other types of dangerous threats. Furthermore, ESET NOD32 AntiVirus 11 anti-phishing technology lets you stop entering your authentication details or your financial details like credit cards, bank details etc in a fake website. Its ransomware shield protects your personal and confidential data from locking out by finding and removing ransomware malware. In the modern world, worms had become more advanced with the advancement of technology. One of the most intelligent type of worm is UEFI (Unified Extensible Firmware Interface) worm. UEFI worm takes control of data before the windows actually start. So, ESET NOD32 AntiVirus 11 advance technology which deals with UEFI worms are known as UEFI scanner which searches and delete any found UEFI worm. By using Exploit Blocker technology ESET NOD32 AntiVirus 11 monitor all the third party data which downloads from the internet like documents, executable programs, emails etc. Furthermore if found anything suspicious immediately blocks it and send blocking notification to the user. When ESET NOD32 AntiVirus 11 finds any security threat it shows notification along with the possible ways to deal with the threat. So by using one-click solution user easy delete all kind of detected threats. Cloud-powered scanning feature makes scanning process fast by ignoring safe or whitelisted files using its ESET Live Grid. It had also file reputation database available on cloud access by it which make the general reputation of files. Its small system footprint is highly optimized for system resources. For example, it increases hardware lifetime and make small update packages and utilize less internet bandwidth. In addition, ESET NOD32 AntiVirus 11 gaming mode postpones all kind of popup or windows notification, saved system resources so that user enjoys the uninterrupted experience. Its advance setting lets you configure scanning attributes like scanning depth, control the time of scanning, files to be scanner and more. When a new upgrade is available it update it by keeping previous data and setting. Its licenses manager technology lets you control your license like a boss. View and manage your licenses devices, remove devices from using your license and more. ESET NOD32 AntiVirus 11 Summary: ESET NOD32 AntiVirus 11 is on the best antiviruses due to the ability to detect and removing security threats. Also, ESET NOD32 AntiVirus 11 had the ability to find and delete multiple kinds of threats including worms, viruses, spyware, keyloggers. It got the UEFI Scanner which scanner and delete the threats which run before the starting of windows. Ransomware shield protect your data from locking and delete any programme which supposes to lock user data. Exploit blocker technology scan your downloaded files, images, video programmes for a possible security threat. Cloud-powered technology lets you scan your files more rapidly by whitelisting some of your files. ESET NOD32 AntiVirus 11 Technical details: File Name: av_n32.exe, eav_n64.exe Size: 168 MB, 176 MB Architecture: 32bit (x86)/64bit (x64) Article added on 6 Dec Nov 2017 License Trial version Developers Free download ESET NOD32 AntiVirus 11 (2018 edition). An offline installer of ESET NOD32 AntiVirus 11 direct download for for Windows Vista, Windows 7, Windows 8 and Windows 10 for 32 bit and 64 bit architecture.
